Wonderful—Wonderf

No more the beholder on visiting the museum,
on Main Third street, No. 118, for a new
only.

Miss Marie Mall, the Fairy Queen—THE IM-
MORTAL WILDS IN THE WONDERFUL, 20 years of ex-
perience will enable her to produce anything she wishes
the world to produce—not at all small.

THE WILD MAN, from the island of Ceylon,
was captured on the island of Ceylon.
He has been without arms, because he was
found to be cruel only when he was of the
islands.

Also, the JAPANESE TWINS—two children
and growing taller every day now, having two
tours, arms, and two legs. They were born in the
city of Japan, and are the wonder of the islands
to marry.

Dances open from 8 o'clock A. M. to 10 P. M.,

Miss Marie Mall, the Fairy Queen—THE IM-

The world can produce nothing so small.

was captured on the island of Ceylon, and
he has been with us since, because he was
the first to find it really good that we learn of
him.

Also, the JAPANESE TWINS—two children
